

Small Chapter Development Program

The Small Chapter Development Program provides small SIOR chapters with up to \$5000 to hold educational events that will benefit SIOR members in their pursuit of continuing education and growth in their industry. Chapters are encouraged to develop programs that will interest other professionals in their local market, thus offering them the chance to earn revenue by charging admission and at the same time market the benefits of joining SIOR.

Please complete this form in its entirety; attach supporting documentation such as program overview, budget analysis and venue options. Mail to SIOR Foundation, 1201 New York Avenue, NW, Suite 350, Washington, DC 20005, e-mail siorfoundation@sior.com or fax 815.846.1657. If you have questions about your submission, please call Corrine Nowak, Senior Manager, at 202.449.8208.
